

Superdrg radio #3

Written by Hans Summers
Saturday, 11 July 2009 08:27 -

As of Tuesday 21-Nov-06 Steve G0KYA reports that this radio is once again available at branches of Superdrg in the Christmas 2006 Sale, priced £2.99.

It is a 10-band radio with digital display and alarm clock, Ultratek model DM906. [This is the manufacturer's page](#)

. But, if you click that link, you'll get an error. The only way to get to the actual page is: First visit the home page:

<http://www.aitkenson.com.hk>

then copy and paste <http://www.aitkenson.com.hk/english/displayproduct.php?proid=503> into the address box.

Superdrg radio #3
