

Thanks to the [Surrey Radio Contact Club](#) for inviting me to be their December 2006 speaker and making me feel so welcome.

The talk was done from the same slides as my [Rochdale talk](#) . Pat G4FDN introduced me to the SRCC members. During the half-time break some members of the audience gathered around for a closer look, or to ask a few questions. I had with me a selection of homebrew equipment:
